The GHD Group Quality Policy Statement

GHD's core purpose is to harness the experience and capability of our global network of talented people to become the preferred partner of our clients.

Our goal is to position GHD as a leader in each of our global markets of Water, Energy & Resources, Environment, Property & Buildings and Transportation. This is achieved with a client-centred culture that actively nurtures and maintains industry networks, develops a comprehensive understanding of our clients' businesses, cultivates long-term partnerships and fosters a collaborative environment for our people to work together to accomplish more for our clients.

A Client-Centred Culture Through One Global Network

The Directors of the GHD Group of Companies are committed to the continual improvement of the effectiveness of our management system, which encompasses all professional services undertaken for our clients.

We are proud of the fact that all the companies within the GHD Group comply with ISO 9001. The overall objective of this policy is to accomplish more with our clients.
